July 13, 2020

Dear Guests of Camp Cherokee:

Our camp experience has been very different this year as our world has been changed dramatically. Because of COVID-19, we have implemented several safety guidelines. Please read through the letter carefully.

We are strongly recommending that those coming to camp be tested before they come. Those that are positive, have been exposed by someone who is positive or those experiencing symptoms of sickness will not be allowed to enter camp. Symptoms of COVID-19 are fever, cough, shortness of breath. Go to [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus) for more details.

Please bring a face covering for each guest. It will need to be worn when in the cafeteria, at activities and anytime that you may be within 6 feet of someone other than your family. Washing hands is encouraged and when not possible, hand sanitizer will be available in cabins, cafeteria and at activities.

Temperatures will be checked at breakfast and supper with questions of if you have experienced any symptoms of illness.

Arrival: All guests must pre-register and full payment is preferred. A credit card can be taken by phone but there is a 3% surcharge to use your card. Contact Barbara at 315-469-6921 no later than Thursday, July 16 at 5:00 pm to make your payment. To hold your place, please email (barbara@nyconf.org) or fax (315-469-6924) Barbara your application. Registration at camp will begin at 2:00 pm. When arriving, pull to the side of the road by the maintenance shop. Staff will take temperatures of each person in the vehicle and ask about symptoms of COVID-19. We will confirm where you will be staying and then allow you to enter camp to unload.

Cafeteria: Masks should be worn in the cafeteria. Only half the tables will be used inside. The tables outside on the deck and three sets of picnic tables under canopies will be available. It is requested that your family sit together and in the same place each meal. Staff will wash and sanitize tables after each meal. We will limit the number of people in line, so some families will need to wait outside until space is available to go through line. Cones will be placed to show 6-foot intervals while waiting in line. Trash cans

and compost buckets will be placed outside for your convenience.

Worship: We will not be using the chapel because of space. All worships will be at the campfire bowl or at the pavilion. Flashlights, bug spray and good walking shoes are suggested.

One important reminder, medical support will not be provided outside of children's camps. Each family must be prepared for their own medical needs.

We will have more details during our safety orientation on Sunday evening.

We are very thankful, that even with all the precautions that we have to take, that we can still have you come. We pray God's blessing on us this summer.

If you have questions, please contact us

Sincerely,

A handwritten signature in black ink that reads "Dan Whitlow". The signature is written in a cursive, flowing style.
